

## Nighttime closure of SR 14 through Stevenson Aug.

### Project Information

Drivers will be detoured from 8 p.m. to 6 p.m. nightly Aug. (DATE) to the morning for Aug. (DATE). During the closure, contractor crews working for the Washington State Department of Transportation will remove pavement markings, resurface and restripe SR 14 between First Street and NE Frank Johns Road.

### What's open?

- Local businesses
- Sidewalks
- Roads adjacent to SR 14 will be open for parking and local traffic

### Parking restrictions

Vehicles parked along SR 14 between First Street and NE Frank Johns after 6 p.m. will be ticketed and towed.

### Why is this work important?

- The pavement on SR 14 through Stevenson is at the point where additional deterioration would make repairs increasingly more costly.
- There is no "good time" to do this work, but this resurfacing project will help ensure the road is in good condition when drivers need it the most.
- The work is weather dependent and must be done during the warm summer months.

### Title VI Notice to Public

It is the Washington State Department of Transportation's (WSDOT) policy to assure that no person shall, on the grounds of race, color, national origin or sex, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. Any person who believes his/her Title VI protection has been violated, may file a complaint with WSDOT's Office of Equal Opportunity (OEO). For additional information regarding Title VI complaint procedures and/or information regarding our non-discrimination obligations, please contact OEO's Title VI Coordinator Oscar Cerda at (360) 705-7082.
